

Why Pumpkin?

Thanks to new advancements in veterinary medicine, there are better diagnostics, treatments, and medications available to pets than ever before. But the best care can come at a high cost. Over a cat's lifetime, families can expect to spend \$13,350+ on veterinary care!¹

Our 1 simple plan helps you say 'yes' to the best care possible.

When they're sick

Our insurance helps you get the diagnostics, treatment & Rx medicine they need to get better.

When they're hurt

Our insurance helps you agree to emergency care, surgery & rehab therapies that help them recover.

When they're healthy

Our preventive care pack helps you keep up with yearly check-ups, vaccines & lab tests that keep them healthy.
